O R D E R:

In his letter last cited, the Chief Auditor, State Trading Scheme, Madras has stated that it would be desirable to audit (1) the accounts maintained by the Honorary Regional Khadi Officers relating to the purchase of looms, charkas and other implements, cotton, yarn and guts, in connection with the training classes, and (2) the accounts maintained by the Agricultural Demonstrator,Tiruppur and other similar agencies in the Andhra area, relating to the purchases and issues of cotton on behalf of the provincial Firka Development Officer for the use of the Intensive Khadi Centres. He has also stated that the local audit of these transactionscan be attended to by the existing staff of his Department without detriment to their normal work.

2. The Honorary Regional Khadi Officers have agreed to the proposed audit. There are no agencies in the Andhra area, similar to the Agriculture Demonstrator, Tiruppur, to arrange for the purchase and issue of cotton required by the Central Khadi Officers in that area. They make their purchases direct with the help of the District Agricultural Officers concerned.

3. The Government accept the suggestion of the Chief Auditor for the audit of the accounts maintained by the Honorary Regional Khadi Officers and the Agricultural Demonstrator, Tirupur in regard to the transactions mentioned in paragraph 1 above, by the staff of his Department without detriment to their other duties, and direct that the audit be conducted once in a year and that the results of each audit be communicated to the Provincial Firka Development Officer in due course. The audit of the accounts relating to the period from the inception of the scheme up to the end of the financial year 1949-50 should be taken up as early as possible under advice to the Government.
